WORK

Rockford Park District

Graphic Designer and Photographer

February 2019 – February 2022

- Worked alone and collaboratively with other designers and members of the marketing department.
- Used Adobe Creative Cloud applications to design print materials (brochures, invitations, apparel, permanent signage, maps, wayfinding system, etc.)
- Designed digital materials such as social media posts, ads, and website banners.
- Developed branding for events and programs for various park district facilities and departments.
- Photographed different sporting events, youth programs, holiday events, staff portraits, facilities, ...etc.
- Managed multiple projects at the same time with varying deadlines.
- Helped with print production by operating the in-house print shop.
- Prepared files for printing with external vendors and ensured that all specs were met for each vendor.

Highland Community College

Computer Lab Assistant

August 2013 – December 2013

- Worked as a lab assistant to help troubleshoot any issues graphic design students might encounter.
- Gave multiple presentations to class on how to use Adobe Illustrator and Photoshop.
